

## **Victory Legal Costs Solicitors**

### **We negotiate and collect in payment for you free of charge**

We act as your solicitor agent including issuing proceedings, drafting and advocacy at detailed assessment hearings.

As your solicitor acting as your solicitor agent means we do not have to come back to you to ask you to issue Part 8 proceedings or serve the notice of commencement or apply for a hearing, which avoids delay and does not waste your time. No costs draftsman firm can do this for you as they are not solicitors. They will have to return to the fee earner who has to deal with this aspect.
