

**We personalise our procedures to your specific requirements**

Our sophisticated case management system ensures that procedures and timescales are personalised to your requirements and deadlines met.

We use Proclaim from Eclipse Legal Systems the market leaders in the provision of case management systems to the legal profession. Using this software we have developed procedures and systems which are second to none. We also have the ability to customise the procedure to your specific requirements.

Contact us on 0870 066 6538 for further information.
